# Home Sweet Home

**Gordon's House in Westminster is done and the Martinez/Moran family move in! On January 16th, 2010, hundreds of folks gathered to celebrate the completion of the two homes in Westminster, built by Habitat for Humanity. Adelle Yeaton and Bishop Jon (and Mary) Bruno were there to hand over the keys to the family of six. Tammy and Ryan Hane, Corinne Stover, Murry McClaren and Frances Haynes were on hand to celebrate this joyous occasion! This house was built to honor and remember our own Gordon Yeaton, who spent his life in service to others.**
